2. Support mentorship, trusted referrals, and fellowship inside Upper Room
3. Present our gifts with excellence under church leadership, not as a public social network

Slide 3: How it works

Simple, leadership guided flow

1. **Search** the directory by name or specialty
2. **View profiles** of approved members
3. **Request an introduction** in a privacy minded way
4. **Apply to Join.** Leadership reviews before anything is published

Do not put admin credentials on this slide

Slide 6: The ask

What we need from the board

1. Affirm this as an Upper Room ministry resource

3. Approve careful expansion beyond the founding members
